

September 30, 2019

Dear Community Partner

The 2019-20 minor hockey season has begun and we would like to take this opportunity to extend an invitation to become a supporter for the Metcalfe Jets _____ hockey team.

This team consists of young hockey players who are excited to play Canada's great sport. In addition to practice and development ice, the team will be playing in over 16 regular season league games, and they hope to participate in several tournaments where they can test their skills against other teams outside their own area. Money received from Community Partners, such as you, is absolutely critical in continuing our development and helping us to pay for team expenses such as exhibition game ice and tournament entry fees.

We are seeking sponsors who will support our development with a minimum contribution of \$_____ and will be recognized in the following ways:

- Your company's name will be advertised on the back of the player's game jersey,
- Your company's name, logo with direct link to your website will be advertised on the team's website

If you would like to support the 2019-20 Metcalfe Jets _____ hockey team, please complete the bottom sponsorship form and return it along with a cheque payable to us at your earliest convenience.

Not only will your sponsorship promote your business within the area, it will provide an opportunity to create memories for our players that will last a lifetime. Should you have any questions regarding this request or wish to discuss further sponsorship programs, please don't hesitate to contact _____ at _____.

Thank you in advance for your generosity and support.
We hope that you will come out and watch our players in action!

Coach or Manager, Metcalfe Jets _____

2019/2020 METCALFE JETS _____ TEAM
