This years hockey was a little different as we all know . I did not hand out our Assc jerseys to teams except for u9 and u13 Rep B .

I only made some minor purchases this year to get the year started.. ie: pucks , pylons and some goalie equipment for our lending program.

Again this year U11 received the McAtom jersey sets from McDonalds and U7 received the TimBits sets from Tim Hortons sponsorship.

I also received a donation of 25 sets of Bauer Hockey Equipment which consist our helmets, skates and sticks of varying sizes. (u7-u13 sizes).

I also worked hard with a fellow hockey parent and graphic artist to produce a new updated logo for our Assc. as well as collect quotes from various Apparel companies on replacement of our aging Assc. jerseys. The board has selected to use Lacroix Sports Orleans as the supplier of such jerseys. We are in the rendering process as we speak.

Again for this coming season Lacroix Sports Orleans will be our Official Equipment / Apparel Supplier.
