

MDHA PLAYER DEVELOPMENT REPORT

2020-2021

Our regular player development program was halted as a result of Covid-19. Due to strict bubbles we were unable to provide traditional on ice instruction as in previous years.

MOTION: A motion was put forward to transition player development online in the form of a virtual stickhandling/shooting sessions at a cost of \$100 per session, with the potential for 4 sessions with \$400 total through provider Handmade Hockey.

BOARD DECISION: VOTED AGAINST

MOTION: 4 sessions per Goalie at Amped for \$60 plus tax per session, for a total of \$250 per goaltender. 28 goalies registered for a total of \$7571.00

BOARD DECISION: PASSED

AMPED Goalie Development

28 goalies were provided with \$250/4 sessions worth of credits for goalie training at Amped.

Total: \$7571.00

- Credit per goalie method
- Parents can schedule on their own time
- Andrew extended credits into spring/summer session
- Many remaining credits due to Covid stop-start.
- Working with Amped on how credits will be applied post COVID
