

U18 2021-2022 AGM Report

My year end summary report is as follows:

I took on the role as convenor after sort-outs had been done. I have no comments on the process.

Team structures were as follows:

4 U18 House League Teams in total

1 - U18A team

3 - U18B teams

U18B3 had a difficult time finding a goal tender at the beginning of the season and had to play their first few games using affiliates. This issues was settled and their season progressed well, seeing them reach the championship final. I anticipate smiliar challenges next season with regards to goaltending.

This year saw many teams struggle to be able to ice a team due to Covid-19 on several occasions. Thanks to the use of affiliates no team had to forfeit a game.

I will return for a final year as Midget U18 Convenor (at this level) next year for the 2022-2023 season.

Deb Monaghan
U18 Convenor
