

## **Tournament Coordinator – Yearend Report**

### **U18 A Tournament**

- Scheduled January 26-27
- Didn't have a lot of teams enter. Sent email blasts to surrounding teams. Conflict with exam schedules
- had some issues with teams fighting/disagreeing with each other (lots of penalty minutes/suspensions)
- advise the have more exec representatives to assist in the events of fights/disagreements
- used TeamSnap for updating on wins/losses. Really great tool.
- moved the U18A tournament to February in 2024 to assist with exam schedule conflict.

### **U18B Tournament**

- Scheduled February 16-17
- Lots of teams interested in the tournament. Sold out within 3 weeks plus a wait list
- All volunteers were amazing the days of the tournament
- no issues with any of the teams
- Raised around \$4,000 between entry fees and silent auction
- used TeamSnap for updating on wins/losses.
- shortened the upstairs rental to save costs

### **U7 Fun Day**

- Scheduled March 4
- Held the pancake breakfast on the 2<sup>nd</sup> floor in the morning. Ran out of pancake mix and had to get more (lots of people due to snow storm).
- Only requested the 2<sup>nd</sup> floor hall for half the day and it was perfect. Saved on costs as no one was using the upper floor come the afternoon
- Bake sale was a hit as always. Many people donated lots of bake items
- Held 2 Chuck a puck events. Sold out each time
- great interest and participation in the Coach Pie in the face. Raised \$200
- Between breakfast donations, bake sale, chuck a puck and silent auction raised around \$2,900
- Lots of good feedback from the parents who really enjoyed the fun day
