

Patrick Walsh U18

I'm very excited to be returning to coach the U18 Castor River Canucks for a second season. After spending my minor hockey years with Metcalfe and Russell playing for the Rep B River Rats from 2007-2012, I was lucky enough to start my coaching career with the Rep B Canucks in 2021/22 as assistant coach, and in 2022/23 as coach. These past two seasons behind the bench have been extremely rewarding, and I can't wait to get back to it.

My coaching philosophy is built on respect, safety, teamwork and development while promoting the fun and competitive aspects of minor hockey that players love. I hope to maintain an environment that allows this U18 group to continue benefiting from all the great memories and life lessons that hockey has to offer.
