RE: Protective Equipment Policy

Good afternoon, everyone,

Hockey Eastern Ontario through this policy wants to emphasize their commitment to fostering a safe playing environment for all its registered participants including on-ice officials.

The policy's purpose is to ensure that all on-ice participants in Games' Practices, or any other on-ice activity wear their protective equipment Properly and not altered in any manner. Failure to comply with this policy may result in Sanctions.

It is the responsibility of the Hockey community to advocate and act accordingly for the safety of all our participants.
