

U7 2023-2024 Annual General Meeting Report

During the 2023-2024 season, our program welcomed 96 registrants, including three who were initially waitlisted but successfully placed onto teams. Participants were organized into five teams, categorized by age and experience as follows:

- U7 Black: 16 players
- U7 Blue: 15 players
- U7 Burgundy: 16 players
- U7 Teal: 15 players
- U7 White: 15 players

Tim Hortons continued its tradition of generously providing jerseys and socks, which players were delighted to keep as mementos, particularly meaningful for those new to hockey.

This year's Fun Day was yet another highlight, thanks to the exceptional efforts of our Tournament Coordinator. The event successfully raised approximately \$2,500, enabling each team to allocate \$444 towards end-of-year celebrations and souvenirs. Activities included:

- Pancake Breakfast, served by our local Fire Department
- Chuck a Puck
- Raffles
- Silent Auction
- Bake Sale
- Pie in the Face, a hugely popular event organized by the coaches, which even saw participation from a team from another association.

We were fortunate to have a dedicated and cooperative coaching staff this season, who consistently went above and beyond to support our players.

Thank and appreciation goes out to all volunteers, parents, and sponsors who contributed to a memorable and successful year.
