

VP House Operations
AGM Report
2023/2024

We had over 400 players registered for House, for a total of 28 teams.

Specifics of number of players and teams can be found in the Convenors' reports.

All teams that have a dedicated goalie position, had a goaltender, with a few teams having two.

Again this year we provided dedicated development goalie sessions at Amped. Not all goalies are using their allocated sessions.

The "Come Try be a Goalie" day was held and was quite successful and will be an ongoing event.

Development ice was provided for all U9 – U13 and was well -received.

We had eight teams go to playoff weekend. Four teams (U11C, U13C, 15B and 15A) won championship banners.
