

Ryan Graham U10

I started playing hockey at a young age for Ottawa West Golden Knights Rep A/B. From there I played for the Golden Knights Jr. B team where we won 3 championships and then played Jr. A for the Smith Falls Bears. After Jr. A, I received a scholarship to play for North Country Saints in the NJCAA. As an adult, I continue to play hockey weekly for men's league.

My coaching style is all about creating a team that feels like family. We support each other, have fun, and aim for success together. I want athletes to feel confident, so I help them believe in themselves and create an environment where they can shine. Sportsmanship is key—we play the game with respect, no matter the outcome. I want athletes to love the game, so I focus on their passion and strengths, helping them perform their best.
