

Cory Cooper U15

I played all of my minor hockey career in the competitive program with MDHA. I went on to play Junior Hockey in and around the area and have continued to play and coach as an adult.

I am excited to be coaching this U15 Canucks Rep B team this season. My goal is to foster a safe, positive, and competitive attitude. I want my players to learn to excel throughout the season; both on and off the ice. Most of all, I hope that they walk away from the year having fun and wanting more! As a professional Ottawa Firefighter, I know the true value of teamwork and I hope to instill that in this team.
