

VP House Operations
AGM Report
2024/2025

We had over 400 players registered for House, for a total of 28 teams.

Specifics of number of players and teams can be found in the Convenors' reports.

Again this year we provided dedicated development goalie sessions at Amped. Not all goalies are using their allocated sessions.

The "Come Try be a Goalie" day was held and was quite successful and will be an ongoing event.

Development ice was provided for all U9 – U13 and was well -received. Additional goalie training was provided as well.

We had seven teams go to playoff weekend. Two teams (at U18B and U15B) won championship banners.
