

Chad Guy U16

I have lived and played all my minor hockey right here in Metcalfe. I finished my hockey career with the Metcalfe Jets Jr B team from 1996 to 2001 and have very fond memories throughout my minor hockey days.

I started coaching in 2012 and have either been a head coach or assistant coach every year since. This will be my 4th year as a Rep B coach. My coaching philosophy is simple; **TEAM FIRST, HARD WORK, DISCIPLINE & BE RELENTLESS.**

If an athlete can't learn from the way I coach, then I will coach the way they learn. I value my role as a coach and always prioritize a personal connection with players, while also holding them accountable to be better athletes, teammates, and leaders. I pride myself on my attention to detail and creative ways to communicate while coaching. I will create a fun and safe environment that constantly challenges them while providing encouragement and support.

I look forward to this upcoming season.
