Hi everyone

I'm tied up at the school setting g up for our Christmas event.

Highlights of Saturday,

After expenses and an estimate of what we brought in from square, we made just under \$2,000.

Additional expenses for me for the pub are \$118.

The breakfast was very busy. We sold out of pancakes. We had a second wave around 10:30 and some teams took advantage of the space and had their gift exchange which was really night. We had over 200 people.

The baskets were phenomenal. Thank you to all of the teams who contributed. I wish I had won one!

Coaches game was a lot of fun. Chuck-a-puck sold out so we'll need more for next time.

We definitely would like more volunteers and next year I would have more in the morning for set up. U15 parents were great to volunteer and some U13.

Lots of lessons learned which I'll add to my spreadsheet and share.

Thank you to Todd for the square. Unfortunately one of the charging cords went missing. I went to the rink tonight to look upstairs but they were removing asbestos!

Replacement is \$49 and I'll order one.

I have leftover things that I will buy a bin for and I'd like to out that in storage.

Sorry for the long email. There were lots of highlights.

Thanks  
Tanya
