***Coach Mentor/Player Development Report
2025-2026***

Coach Mentor Program (CMP) had 3 players participate this past season, on 3 different teams.

Conditioning Camps:

U9 group

U11 group

Mix U11/U13 group

U13 group

U15 group

Tuesday night development: This year we switched to using AC Power Skating. Overall, there were good results from the switch.

Amped/goalies: We were able to send 16 rep goalies and 23 house goalies for training with Amped before it switched to Summit Goaltending, who we are looking to partner with for next season.

Evaluations

Went well and most teams had a good year proving the evaluation process was a success.
