

MDHA President's Report

2025-26 was a great year for MDHA, with several teams having successful seasons at both House and Rep level. The details for these accomplishments can be found in the respective convenor reports.

A couple of items I was particularly proud of this year was the "hockey day in Metcalfe" which included a spirited coaches game. Hopefully this will continue to grow in the coming years.

I was also proud of the ice sessions we had with the Condors, our kids really shone playing with these players. Another thing I would like to see grow in the coming years.

Thanks to all the board members and parent volunteers, we could not do it without you.
