This was a much more enjoyable this year, since we didn't have to deal with any shutdowns. In U9 we had 1 A Team, 3 B Teams and 2 C Teams. There were 14 players on 5 of the Teams and 13 on the remaining Team. We had 83 Registrants this year compared to 78 last year. All 6 Teams competed in the Ottawa 67's Jamboree and hopefully that will continue to happen the future. We had lots of help from Volunteers this year, whether it was on or off ice. Our Teams competed in a minimum of 2 tournaments with most Teams doing 3. We had 1 child that was of U9 age but was allowed to move down to U7 due to a family request. There was only 1 discipline issue and that was due to a Team missing a game and therefore the Head Coach was suspended 1 game.

Thanks for all of your help,

Steve and Jason
